3. Shade the bubbles with pencil.
4. Each question carries four marks.
5. Use the space provided in the last page for rough work.

Read the passage and answer the questions from 1 to 4.

Once upon a time, a man and his wife had the good fortune to have a goose which laid a golden egg every day. Lucky though they were, they soon began to think they were not getting rich fast enough. They imagined that if the bird must be able to lay golden eggs, its inside must be made of gold. And they thought that if they could get all that precious metal at once, they would get rich very soon. So the man and his wife decided to kill the bird.
