Birds are creatures that have feathers, wings and a beak. They are warm-blooded creatures and are always ready to fly into action. In fact, birds are the most powerful fliers of all living beings. There are more than 2000 species of birds in our country. Among these, the most beautiful, attractive and brilliantly coloured one is the peacock.

This charming bird is a familiar sight all over the country. It belongs to the family of pheasants. The female is called a peahen. The male as a peacock. Collectively, both are called peafowl. The Indian peafowl lives mainly in the humid areas of our country.
